Elevate your visual storytelling with the REFINED Ektar Collection—a symphony of colors and depth that transcends time and style.

- **Ektar Variations:** Experience the magic of Ektar, Ektar+, Ektar Cool, Ektar Cool+, Ektar Warm, and Ektar Warm+. Each variation brings unique punchy color shifts, striking contrast, and vivid tones.
- **Color Shifts for Every Mood:** Choose from neutral, calm, and warm versions to suit the mood of your narrative. The "+" versions boast higher saturation, contrast, and depth for an extra touch of brilliance.
- **Versatile Applications:** Ideal for full sun, bright light, and vibrant colors, the Ektar Collection shines in mid-day shooting, beaches, and street photography. Whether a film enthusiast or a digital photographer, watch these presets breathe life into your portraits.
- **Comprehensive Toolkit:** The collection includes essential tools such as film texture, 3-grain options, matte green for toning down overly saturated greens, a noise-reducing smoothing preset, a saturation reduction option, and a tool to address chromatic aberration.
