Minimal Promo Slideshow (Videohive 33866234) outlines the features of a Minimal Promo Slideshow template designed for easy use and customization.

How Simply place images in placeholders and then edit the text?

You can use "Minimal Promo Slideshow (Videohive 33866234)" in After Effect.

Users can simply insert images into designated placeholders and edit text directly.

The template includes a control layer to manage settings efficiently.

A video tutorial is provided for guidance, and no plugins are necessary for operation.

Compatibility is ensured with After Effects CC 2015 and above, with a frame rate of 30 FPS and support for universal expressions across different languages.

The template is well-organized for streamlined editing.

Two resolution options are available: Full HD (1920x1080) and 4K (3840x2160), both with a duration of 1 minute and 12 seconds.

Notably, images and music are not included and must be sourced separately for use with the template.
