Photoshop

Atacama Mobile & Desktop Lightroom Presets includes 11 professional settings that have been created to improve the quality of your images and improve your editing workflow. Each of the presets has been designed to look stunning with a range of photos. In most cases, you'll get the best result with just one click. But, you are able to modify the settings to fit your individual photographs.

If you're an amateur professionally-trained photographer or graphic designer, or blogger, you probably spend many hours at the computer editing photos. Pre-set Lightroom presets will streamline your workflow, giving your photos a new look and giving a professional look to your photos, without the hassle of editing with Photoshop.

These presets will assist photographers of all levels to create their own adventure and portrait, blogger photographs of lifestyle travel, vacation food photography, and a great selection for virtually any type of photography.
