Top Music Arts ARTBAT Atlas Ableton Remake: A stripped-down Ableton Remake version of ARTBAT's Atlas from the Upper ground EP that Diynamic released. An excellent song to get the basics of techno Music Production, automation, transitions, and other elements like Sub Bass Pad Synths and Drum Samples Layers, Automation, and more.

The Template was explicitly created for Ableton Live 10. with Ableton's Wavetable to control various Instruments and Nicky Romero's Kickstart sidechain Compression VST plugin. Additionally, it makes Use of the Stock FX in Ableton Live 10 and Stock Instruments as well. Techno Style samples for beginners are included, along with an entire arrangement Beat. Thoroughly mixed and mastered available for you to download and play it!

Recommendations: If you experience any issues with your CPU, We're using a third-generation Intel i7 at around 10 percent. Ensure you use Ableton's freeze function and resampling methods when you're experiencing issues with the application.

- Software DAW Ableton Live 10.1 Suite or higher
- VST Plug-ins Only Nicky Romero's kickstart Vst plugin is required
- Song Key: D# Maj
- Time Length: 7:30
- Genre: Techno
- All Drums Samples forms are included in this project, and they are available.
