ESSENTIALS Photography Lightroom Bundle:

Emphasis on high-quality imagery and the intricacies of glowy skin infusing accurate skin tones with warmth is evident in the artistically crafted tools contained in this premium preset bundle. Multi-functional and designed for portrait, wedding, engagement, lifestyle, editorial, and travel photographs, the presets are ready to use and come with easy installation guides. Suitable for both mobile and desktop means that the collection works well for businesses by making editing simple and increasing the quality of photography.

Includes Varying Presets:

- 65 Lightroom Desktop Presets (temp + XMP)
- 65 Lightroom Mobile Presets (ng)
- 30 Desktop Mini Tool for Adjustments
- Edit Instantly: PDF Guide and Extra Editing Tips
- Verified Quality: Created by professional photographers to ease workflows and maximize time saved on editing

Flexible:

- Designed for various lighting conditions, such as overexposed and underexposed lighting.
- In the news, cross-compatibility effortlessly integrates mobile with desktop usage for work on the reel.

With this package, photographers can access time-saving tools that improve a user's capability while allowing them to do aesthetically pleasing edits.
