Monochrome and nostalgia are a perfect match in this latest collection!

Enjoy the wonder of Instafilm with Instafilm and in Black & White!

This collection of presets is a sequel to this collection of the Quest 11 - Instafilm color collection.

The collection includes six brand-new B&W styles, every that has unique instantly-movie-inspired borders.

Each border design can be used as a separate design or combined to create unique looks.

Go deep into the mask layers and personalize the individual elements to create unlimited editing possibilities.

We've also included blue and orange filters, allowing an additional variety of creative options for your edit!

Instant Film Profile Make use of this to watch your photos transform into traditional matte highlight and crushed shadow.
