Metallic Retrowave Text Effect - 280537225:

The Metallic Retrowave Text Effect enables you to create visually striking text for branding, logos, or presentations with ease.

Utilizing Smart Object layers, it allows you to quickly customize the text by replacing the placeholder with your own content.

The effect works seamlessly with any font, including those in the Adobe library.

The package includes two high-quality PSD files with a resolution of 3000x2000 px at 300 dpi.
