Artistic Mix Bundle Photoshop Action - CreativeMarket 4551077: Bundle of Artistic Mix Photoshop Action specially developed to be used by designers, modern artwork artists, wall art designers, and professional photographers. The actions are professionally designed to give your photos an amazing and stunning tone, which allows you to simplify your editing process as well as enhance your photos. As photographers, we employ these tools to help us speed up our workflow. Our Photoshop tools have been tested with a range of images, each with unique results. They're versatile and suitable for all types of images. This method will allow you to get excellent results in just a few minutes. I have included comprehensive instructions and a help "docx" file—a guide to assist you in the next steps using all-action files. Once the action processing is completed, you have full control over the layer. You can take out the layers you don't like. You can alter or scale, rotate and blur layers, and create new components. You could even duplicate the entire parts folder, then relocate the folder and transform it, then scale it, rotate it, blur it...
