Gamut – Le Reve:

The Le Rêve LUT Collection is a curated selection of 6 sophisticated LUTs designed for luxury wedding filmmakers. Developed by Le Rêve Films, these LUTs enhance footage with a vibrant palette of pastel skin tones and cool greens, striking a balance between ethereal luxury and film-inspired sophistication. They are suitable for various lighting conditions, including bright sunlight, overcast skies, and warm tungsten light.

Designed to work with LOG footage, these LUTs can be applied to Rec.709 footage and are compatible with various camera profiles like Canon Log 2, Sony S-Log 3, and Panasonic V-Log.

- **The Reve I:** Natural skin tones with cool greens and crisp whites.
- **The Dream II:** Ideal for sunny settings, enhancing warm skin tones and adding ethereal yellows.
- **The Dream III:** Bright colors perfect for sunsets and overcast days, accentuating vibrant greens.
- **The Dream IV:** Pastel skin tones and deep blacks create captivating contrasts.
- **The Dream V:** A romantic LUT for dimly lit settings, balancing warm and cool tones.
- **The Dream VI:** A unique black and white LUT with dramatic blacks and detailed highlights.

Overall, the Le Rêve LUT Collection helps filmmakers create enchanting, high-quality wedding films with ease.
