

Payhip – STRY Editing Pack (.cube, PNG, MP4) - AE

2025-02-10 16:47:17 label 我要反馈 下载页面

Created to make enhancing less difficult for Adobe After Effects CC 2017 or upwards

INCLUDES:

- 8 LUTS
- 2 TUTORIALS
- 32 PRESETS (some are from the preset pack some new)
- 7 SFX FILES
- 3 Selfmade Animations
- 3 PROJECT FILES (no photos included)
- Grid and Vintage heritage overlays

Presets and initiatives had been made in Adobe After Effects CC 2017

My edits are commonly made in 23,975 fps so u may have to trade some time spacing if u wanna follow them to a specific framerate (for shakes).

For the assignment documents, I used results the place u may want plugins like BCC, deep glow, sapphire and twitch to see the settings.
