Asteria is bringing all your dreams of mood to life. This versatile set provides the most diverse range of tone from cool cinematic tones and warm golden hues that are all covered in a luscious cover of moody character.

Gfx plugin details of Archipelago Presets – Asteria

The product is in the **Lightroom category**, for more information about this post you can click on the home page link in the sidebar.

To search for similar products to Archipelago Presets – Asteria,

The Asteria collection comes with three distinct tonal choices and 3 different dynamic versions of each, with 9 different presets. A vignette mask that can be adjusted is included with every setting, placing the focus precisely on the spot you require it.

The included glow tools add the perfect ambiance to your edits and add another dimension to this flexible and stylized set.

Cinematic and bold. Flexible and flexible. Asteria is different from any other preset that you've heard of before.

Please note: This set needs Adobe Lightroom Subscription: LR Classic CC (v11+) or LR the CC (v5+) or Adobe Photoshop ACR (v14+) After purchase, consult the Installation Guide to install since these presets are for Lightroom 7.5 (or later versions) are now available in .XMP format and can be set up in an entirely different fashion in comparison to the earlier .LRTEMPLATE files.

United and for the future. Since its origins within the Pacific Northwest, the Archipelago community has expanded all over the world. We realize that growth is accountability and that our responsibility is to donate some of our profits to non-profit organizations that are dedicated to protecting our planet and fighting for social and equal rights and justice for all races.
