**Intro Opener (Videohive 44656508) - AE Project:** Intro-Opener is a premium, well-organized, simple personalizing template that is easy to customize. This template can be used for special events, sports openers, presentation videos, and quick and minimal corporate promotional. Create a travel-themed intro with a clean slideshow, opening slides for parties, and animated slides. Create a video you can upload to YouTube, Vimeo, or other media hosting sites. Create your magazine demo reel, and show your portfolio, a rhythmic introduction, and an opener for the occasion, app, or commercial promotion.

The Intro Opener is a modular program allowing you to modify your project's duration quickly. Use it for TV shows or fashion events, and enhance your media with elegance and shine. Make motivational story-based videos such as a corporate history video, a trailer with simple and scrolling slides, or present a brand new or educational video or even a tutorial. Upload the video to Facebook, Instagram stories, Twitter, or other social media and amaze your friends. This project contains a video tutorial. Even if this is your first time running the application After Effects, you can quickly complete the task. Simply drop the image or video into the program, edit the text, add audio, and be amazed by the results!
