Automotive Lightroom Presets 3.0

2025-02-10 17:11:44　　label 我要反馈　　下载页面

In this pack, you will find 25 unique presets for Lightroom specifically designed to be used on automotive photographs, but can also use them in other jobs. Work only in the latest version of Lightroom CC. I created this using many years of experience in automotive photography and making use of some of the most talented automotive photographers as a basis.

It's a very professional package, suitable for everyone, to improve your photography and make it more professional.

- Compatibility with Adobe Illustrator, Adobe Illustrator, Adobe Photoshop
