### RTCO Preizton Font Family:

Introducing RTCO Preizton Font, a homage to vintage graphic design styles from the 1960s to the 1980s, inspired by the aesthetics of matchbooks and advertisements of that era.

This font family comprises three distinct types: Sans, Serif, and Script, each with its unique characteristics.

RTCO Preizton Sans features an OpenType ligature feature, adding a dynamic touch to the font, while the Script font offers alternative glyphs for enhanced visual appeal.

Ideal for various graphic design applications such as logotypes, merchandise, printed stickers, and branding materials.

### Included in the package:

- RTCO Preizton Serif
- RTCO Preizton Sans
- RTCO Preizton Script
- Uppercase & Lowercase letters
- Numerals & Punctuation
- OTF file format
