Unreal Engine - Characters Modular Sorceress - Female Humans - Fantasy Collection v5.01: Prepare to enchant your UE5.01+ game with the addition of a powerful Sorceress from this fantasy human pack! Whether you're crafting a world of magic and intrigue or summoning ancient forces, this asset collection offers an array of human characters, heads, weapons, outfits, and hairstyles to elevate your game to new heights.

- Fantasy Human Assets: Immerse players in a realm of fantasy with diverse human characters, heads, weapons, outfits, and hairstyles.
- Modular Design: Customize characters with ease using modular components, allowing for endless combinations and variations.
- Variety of Heads and Hair: Choose from four distinct head and hair variations to give your characters a unique identity and presence.
- High-Quality Weapons: Arm your characters with five meticulously crafted weapon assets, each imbued with arcane power and detail.
- Dynamic Physics: Experience immersive gameplay as hair sways and outfits move realistically with high-quality physics assets.
- Customizable Color and Style: Utilize 8 layers of mask control to tailor the color and style of your characters, offering players a personalized experience.
- Master Materials: Included master materials ensure superior rendering of skin, hair, and eyes, enhancing the visual fidelity of your game.
