Magic Trailer (Videohive 32339416) - AE Project: Begin your fairytale with your Magic Trailer. Everyone is welcome, whether it's your clients, friends and family members, or even your subscribers. Magic Trailer will open a fantastic universe of magical dust-flaming candles based on your favorite fantasy film, and the sparkle of an attraction. It is easy to add your videos and photos to the project, and even change the title, and the project is great for slideshows, to enhance designing the layout of your website, the intro to your YouTube channel, as well as a fan video. Make your videos more magical and fantasy, and showcase your content in an attractive manner! The project includes videos of candles burning that slowly move through the air and magic dust that glows and flies. The project has placeholders for videos, text as well as photos. The site is well-organized and very simple to modify.
