2025-02-10 16:37:32 label 我要反馈 下载页面

Videolancer's Transitions for PR VH-46055135: Over 3333 fluid, smooth transitions for your video project! Create a visually appealing and impressive video quickly, efficiently, and effortlessly! Slideshow, trailer video clip for music, broadcast documentary, even a presentation. Every project you create will be more interesting stunning, impressive, and professional!

Resizable to any resolution and aspect ratios

The first company in the Envato Market to launch transitions with auto-resize. Today, it's the standard. You can rest assured that every transition will look great in wide-format cinema and vertical IGTV.

Motion Bro plugin

Motion Bro application is among the most popular programs among After Effects and Premiere Pro users! Its user-friendly interface lets you find an appropriate transition and apply it with a single click.

Full Customization

You can control every change with no prior experience using Premiere Pro. You can easily alter the direction, color the zoom point, color, and many other settings.

Motion Bro Sound FX Pack

You don't have to spend time designing a sound! Download Motion Bro Sound FX Pack. Motion Bro Sound FX Package and, after that, the transitions will be added onto the timeline, along with the correct sound effect.

Tons of Transitions

Since 2016, we've created more than 2 000 transitions (which have been transformed from After Effects to Premiere Pro) that you can apply to any video project. Over 40K motion creators have collected millions of hours to create videos during this period!

- Over 3333 dynamic and fluid transitions
- Supported any resolution
- It supports any aspect ratio, regardless of orientation, landscape, or portrait.
- Compatibility With the Motion Bro Sound FX pack
- Animation speed control in real time
- Ability to move around a Zoom and Spin the target
- It does not require any advanced skills in Premiere Pro
