下载页面

Truck Machine is a heavy display font. It has a strong body with different widths for characters. Additionally, this font comes with many Ligatures, with 160. This makes the font more unique and interesting. It's ideal for projects that require fonts that have strong and striking features. Like branding, logos, headlines, title printing, magazine posters, quotes fashion, t-shirts, clothing, and more. The font also supports multi-language.

To be able to access alternate glyphs, it is necessary to use an application that supports OpenType features like Adobe Illustrator CS, Adobe Photoshop CC, Adobe Indesign, and Corel Draw.

### How to use fonts for branding and clothing design?

You can have a beautiful design using "Truck Machine - Heavy Display Font" through fonts.
