**Arrow Maker Script (Videohive 47236625):** We are pleased to introduce Arrow Maker - the After Effects script that will change how you create the desired arrows! Through Arrow Maker, you can quickly transform every shape element into a stylish and elegant arrow by simply dropping and dragging.

This powerful script provides various arrow styles, allowing you to easily modify the stroke and tip of your Arrow. You can also alter the speed and length of your animation by shifting the markers on your timeline. With the option to alter the thickness and color of your Arrow, There are no limits to what you can do with it!

Arrow Maker is the perfect tool for those who want to design arrows quickly. Whether you're an experienced designer or just starting, this program will become your primary tool for all your arrow requirements.
