Kenya Map - Republic of Kenya Map Kit VH-35136190: This project was designed to shock you and elevate the efficiency of your workflow to the next step. Improve your productivity and spend more time on imagination! Cartography is a powerful weapon, and a must-have item for motion makers filmmakers, vloggers, and anyone who wants to be noticed by the public.

- Present your most important future plans. Images, videos devices, people, and other things.
- Compatible works with Adobe CS6, CC (all versions)
- Fast maps rendering!
- Duration of each geopolitical slide ranging from three to thirty seconds
- Transitions are incorporated in the graphic AE template
- It is easy to modify. Create your own regional advertisements modify the order, delete the compositions or even add them, and then personalize your advertising time.
- Color filtering for photos (dark or colored, and etc.)
- This template lets you customize every portion of the template as everything is designed in After Effects.
