Vintage Fashion Promo - AE Project VH-42268432: Create a video promotion and a demo reel in retro fashion from the 90s, using windows 3.11 effects with neon titles and vibrant colors.

Utilize your photos or videos, write your titles, and put this video in your shop or boutique.

Create exciting and fashionable intros or videos for your blog channel openers or promos with glitch and grunge effects! It is perfect for an urban opener or tv show, street fashion trends, flash sales slideshows, or any other media opener—even special events. Using images in place of video is possible—a simple and well-organized project.
It is easy to alter the color of your text in one easy step. Change the text, drop your media or audio, and click render. Fast rendering project. UUtilizing this project doesn't require any Advance understanding of After Effects. Even if you've never used After Effects, you can review the help file and finish the project.

- Adobe After Effects CS5.5, CSS 6 and Adobe After Effects CS5.5, CS 6, 2013...CC 2022 or more significant software required
- 1080p (1920x1080) resolution / 29.97 fps
- 55 seconds total duration
- 17 options for placeholders in media (photo or video)
- 29 titles are placed in the titles
- Easy to customize and 100 percent After Effect / no plugins
