Instagram Grid Pack (Videohive 39896919): Professionally created and animated designs. Instagram Grid Transition templates can be used in many different ways, ideal for multi-screen stories, split-screen photos or video content, commercials, travel videos, real estate videos, wedding videos, music videos, cooking, sports commercials, business music videos, and everything else!

Grid Transition Pack is an exclusive template that you can use for the Premiere Pro MOGRT projects. You can show multiple grid scenes on one screen. Additionally, you can incorporate text into your scenes. Drag and drop your video or photo into the comp. You can then alter the border, color, and more.

Project Includes:

- 200 Grid Transition - (0:30) - (100 Grid Transition - 100 Reverse Grid Transition)
- 1 Grid Promo template - (0:44)

- 1080x1920
- Easy to Edit
- Multipurpose Project
- Well-organized
- Fast Render
