2025-02-10 16:52:33　　label 我要反馈　　下载页面

The HUD Medical Body Pack is a specialized design toolkit for medical interfaces, featuring one professional HUD display screen and over 30 HUD elements.

How to set the color scheme globally or locally with one click using the smart color controllerin After Effects?

You can use "HUD Medical Body" to set up and design your project.

The pack is organized with main screens and asset elements neatly grouped into folders for easy navigation. Created using After Effects shape layers, the vector-based elements are easily editable and resizable. The color scheme can be globally or locally adjusted with a single click using the Smart Color Controller. Key features include 1920×1080 resolution, compatibility with After Effects CC 2020 and later, transparency for drag-and-drop functionality, no required plugins, and easy customization. Free fonts are provided in the help file.

Package information

The HUD Medical Pack, compatible with After Effects CC and including project files, was both published and last updated on June 20, 2024.
