

## Digital Callout Titles for After Effects (Videohive 52725225) - AE Project

2025-02-10 16:45:47    [label 我要反馈](#)    [下载页面](#)

The **Digital Callout Titles for After Effects** template is designed for professional use in digital projects.

### How to use templates to design social media content in After Effects?

You can use "Digital Callout Titles for After Effects" to design your project.

It features glitch effects and includes customizable text animations with color controls. Ideal for social media content, corporate presentations, and promotional materials, the template enhances videos by highlighting key points and providing a sleek, modern look.

**Key features** include high resolution, compatibility with any fonts, comprehensive color controls, and support for After Effects versions 2021 and above, accompanied by font links and a helpful documentation file.

### Package information

As of June 12, 2024, this After Effects template, compatible with CC and featuring 5 media placeholders and 22 text placeholders, was both updated and published, ensuring robust functionality for creative projects.
