Linger - Brush Font Creative Market - 282514881:

Linger - Brush Font is a bold, textured display typeface with a rough, hand-drawn brush style that evokes a spooky, eerie atmosphere, making it perfect for Halloween-themed designs or projects with a touch of horror. Its versatile aesthetic is ideal for crafting eye-catching logos, branding materials, posters, movie titles, book covers, and magazine layouts. The font's unique texture also suits applications like stickers, business cards, and greeting cards, adding a dramatic flair to any design. With Linger, your text will make a lasting impression, perfect for projects that demand a striking and memorable visual impact.
