**Epic Stock Media Metroidvania Game SFX:** This Metroidvania Game, sound effects library offers you nearly all the sounds needed to play almost any kind of game that involves scrolling, as well as supplying you with a variety of versions of each sound to create a game experience that isn't boring. There are designed bows, sword swings, monsters, whooshes, punches slide, items sounds, loops, ambients doors, UIs, and many more sound types, in the exciting and pleasant audio palette of the 2D sound design. This sound effects library suits various game types and styles, including 2D 3-D games, animation platforms, mobiles, anime Action, RPG, side scroller, and adventure games.

### UCS Compliant & Soundminer Metadata

All sound effects are labeled UCS conforming and divided into categories to help you navigate using a clear folder structure, including Chains, Ceramics Doors, Creature, Effects Electronics, Fight Glass Fire, Ice, Gore Loops, Metal, Moving objects, UI Water, Weapons, and Wood. Metroidvania Game, sound effects library, includes rich metadata embedded into the files, using sound miner metadata. This can help you locate the appropriate sound for the right moment.

### Includes Entire Library In Multiple Formats

The 587 sound fx sound files are created to help you make your life easier and speed up production workflow. They are available in the 96kHz/24bit .WAV file format, ensuring the highest quality audio quality—additionally, the 44.1k 16-bit. WAV variant of the complete collection is available, so you don't have to convert the files. Metroidvania Game - 2D side scroller
