**Aescripts Neural Warp 1.2.1 (Win):** Introducing the groundbreaking AI plugin for elastic warping: Neural Warp! Neural Warp harnesses the power of AI for seamless motion tracking without the hassle of manual labor by revolutionizing the way you warp elements. It offers unparalleled flexibility with two modes available: temporally smoothed warps and direct frame-to-frame warping.

Experience the all-new Instant Mode, eliminating the need for precomputation or manual tracking—simply warp footage from one reference frame to the current frame effortlessly.

Enjoy easy visual feedback with the option to overlay a warping grid on the entire frame, providing clear visual cues for expected warping. Compatible with After Effects 2022 and above, Neural Warp ensures smooth integration into your workflow. Test your configuration with our free trial before making a purchase. Don't miss out on this game-changing innovation!
