

VovSoft XLS to CSV Converter v2.3 + Portable Edition + Patch

2025-01-06 23:01:10 [label](#) [我要反馈](#) [下载页面](#)

VovSoft XLS to CSV Converter simplifies Excel to CSV conversion with a user-friendly interface and batch processing capability. Its minimalist design focuses solely on efficient conversion, allowing users to transfer multiple Excel files into CSV format effortlessly. Adding files for conversion is intuitive, whether through drag-and-drop or manual selection, catering to diverse user preferences.

The software offers flexibility with encoding and separator customization, enabling users to address conversion errors and tailor output formatting to their needs. Support for various encodings and separator symbol choices enhances data processing versatility. Moreover, its offline functionality ensures data privacy, with no documents transmitted to the internet during conversion, prioritizing security.

In summary, provides a straightforward solution for Excel to CSV conversion, emphasizing simplicity, efficiency, and user privacy. Its intuitive interface, batch processing, and customizable options make it a reliable tool for seamless data transformation while maintaining data security.

Key Features of VovSoft XLS to CSV Converter :

1. Batch conversion of Excel spreadsheets to CSV format
2. Minimalist interface for easy operation
3. Supports multiple Excel file formats (XLSX, XLS)
4. Intuitive drag-and-drop or manual file selection
5. Flexibility in encoding selection (ANSI, UTF-8, etc.)
6. Customizable separator symbol (comma, semicolon, etc.)
