#### Gradient Maps (Videohive 37991531) - AE Project:

Are you looking to create gradient maps using pins and Adobe After Effects in less time? Welcome to Gradient Maps.

The application is compatible in combination with **Adobe After Effects CC 2020 and later** versions.

On the inside, there's a 32 map template with pins as well as other elements that are completely personalized. Change the information's size colors, duration, fonts, and much more.

#### List of countries:

Following is a listing of Africa and Asia --- Australia -and Austria as well as Belgium --- Brazil -Brazil - Canada --- China - China - Denmark --- Europe --- Finland and France of Africa and Asia Germany -Finland and France - Ireland as well as Italy as well as Kazakhstan as well as Mexico as well as the Middle East - the Netherlands - Paraguay --- Poland as well as Poland Portugal as well as Russia as well as South America - South Korea, South Korea Spain -- Sweden and Sweden Switzerland and Switzerland Ukraine -- United Kingdom - USA - Map of the World Map

- Unlimited pins, marks, or pins on a copy
- Compatible in conjunction with Adobe After Effects CC 2020 and later versions
- Resizable resolution. Simple to change the dimension of components, without loss of quality
- This Settings tab allows you to change elements quickly and easily.
- Drag and Drop elements onto the timeline, then alter the project to your liking.
- Change the duration of the elements on the timeline.
- The possibility exists to utilize this feature with photos or videos as background. The Alpha channel is supported.
- It works with any program that can support languages.
- Tutorial video with step-by-step steps included
- Free font links are included.
- No extra plugins needed
