Christmas Insta Opener - AE Project VH-42021863: The Christmas Instagram Opener is gorgeous After Effects template featuring animated slides that move and magic particles that reveal your content. This template has seven placeholders for media, five editable text layers, and one logo placeholder. It can be used in Instagram posts, stories, or posts to celebrate Christmas and New Year's Eve! This stunningly designed and elegantly animated PP template makes your followers feel special. A comprehensive tutorial video is included, and square and vertical versions are also included.
