The Industrial Strength mash-up pack includes everything you can hear in the demo, plus much more. We go overboard with a plethora of Reverbs, sharp distortion, and a soaring delay. We pushed the limits in the demo. The pack includes dry sounds that have a distinctive sound We've got you covered. You are free to play with these. Each file was created to allow you to have enough headroom to smash it however you'd like to. Get the Promo pack and test it out!

Dark Industrial Dubstep features over 50 complex bass samples to remix, mix or just use as they are. The sounds were created from scratch, to give you a unique collection of samples to make use of. The pack comes with Fx Drum shots Loops for Drums Kits and everything you'll require to venture into the unknown!

This pack was not influenced by anyone else, but we believe it will be a handy collection of Audio Tools to take your music to the extreme and back. If you're looking to be back, this is... You're searching for an original package for dubstep (and we're sure it's going to be hard to create) We think this tiny jewel is ideal for shaking your next project or remix.

If you're looking for Dark Grime or crazy drums, slick Tare Outs, and Heavy Messed up Wobbles to make absurd, then this crazy dubstep collection that sounds like Industrial artist could be an ideal place to begin. It's packed with Mad ideas.
