Infographic Pie Charts - AE Project VH-39699110 offers a convenient solution for crafting visually appealing pie charts swiftly within Adobe After Effects.

How to create visually appealing pie charts in After Effects?

You can use the "Infographic Pie Chart" to design your project.

Comprising 29 customizable pie chart templates, users can effortlessly adjust colors, data, fonts, and more.

Key features include compatibility with After Effects CC 2020 onwards, adjustable resolution without quality loss, quick modification via the Settings tab, drag-and-drop functionality, timeline element customization, support for background videos or photos with an alpha channel, compatibility with various software, accompanied by a comprehensive video tutorial and free font links. Notably, no additional plugins are required, enhancing accessibility and ease of use.

"Infographic Pie Chart" Samples:

Package information

The After Effects project files, updated on September 15, 2022, are compatible with After Effects CC and come with resizable resolutions.
