School Titles for Premiere Pro (Videohive 53901081):

The **School Titles** template for Premiere Pro features playful, hand-drawn, school-themed animations, ideal for enhancing educational content, student projects, or classroom presentations.

With full color customization and easy text editing, this template adds a creative flair to academic or instructional videos, making it a vibrant choice for social media or educational channels.

It supports 4K resolution, works with any fonts, and is compatible with Premiere Pro 2021 and newer versions.
