Framed in History Slideshow (Videohive 55906554):

The historical war timeline video or documentary slideshow is designed to create a nostalgic, impactful cinematic experience using vintage aesthetics. Perfect for evoking powerful emotions, it seamlessly combines sepia tones, grunge effects, and elegant retro elements. This project is ideal for commemorating significant historical events, creating somber presentations, or crafting promotional materials that highlight past eras. Its intuitive, plugin-free design ensures ease of use and customization for various creative needs, whether it be personal memory preservation or professional periodical showcases.

- **Software Compatibility**:
  - Adobe After Effects CC 2018 or higher.
- **Resolution & Frame Rate**:
  - FullHD 1080p (1920×1080) resolution.
  - 25 frames per second.
- **Duration**:
  - Default duration of 1:00 minute.
- **Customizable Placeholders**:
  - 16 media placeholders (for photos or videos).
  - 32 text/title placements.
- **Design & Aesthetics**:
  - Vintage and sepia tones for a nostalgic feel.
  - Grunge and retro effects for added authenticity.
  - Suitable for emotional, historical, and cinematic storytelling.
- **Ease of Use**:
  - Fully created within After Effects, requiring no additional plugins.
  - Simple and fast customization.
- **Versatile Applications**:
  - Historical sepia video or documentary photo galleries.
  - Political or war memory journals.
  - Special event openers, photo albums, or periodical showcases.
  - Magazine-style presentations and retro cinematic videos.
