**KODAK DIRTY PACK // NSFW:** This one relies on a dirtier, natural design while Still making them enjoyable and simple to use. Also has a shade grain into it rather than only a standard grain.

Works with almost any camera and some other Applications, Simply drag & drop!

Documents are 4096 x 2160

If you get confused about how to Utilize the overlays, the close of the tile is exactly what' Blend Mode' they ought to be
