Mild Web Promo (Videohive 35903855) - AE Project: It's a unique and attractive concept - the most effective method to market your site. It is easy to create the promotion for your landing page or site in a fresh and modern style, with original motion designs.

Mild Web Promo is a template that can be used for demonstrating and advertising applications/web/game of computer or laptop or mobile, tablet apps, services and websites, and their user interface. The placeholders are suitable for screenshots, videos, or animations of any type.

Web promotion is the next installment of the popular series that is created with After Effects. It's a fantastic method to promote your new app or website! Simply drag a photo of the website into the screen's placeholders, and modify your text before rendering.

- FullHD (1920x1080) resolution available / 25 fps
- After Effects CC 2013, the CC 2015, CC 2016, and CC 2017. 2018. For CC 2019 and 2020, and CC 2021 application must use CC 2022, or higher.
- 0:43 min duration (43 seconds)
- Two scenes that include placeholders for multimedia (photos and images from the landing page, or video, if you'd prefer) together with titles (you can type any type of text)
- There are 16 placeholders for media (photos or video)
- There are 8 spaces for your titles. However, you may be able to include more
- Universal expression is available. You can use any program that supports languages.
- No plugins are required. 100 percent After Effect
- It is important to note that the font in the preview does not appear in the preview. However, the links are contained within the PDF
