CS Malion – Classic Font Creative Market:

CS Malion – Classic Font is a sophisticated display typeface designed to evoke elegance and luxury. Its graceful letterforms, meticulous detailing, and balanced proportions make it ideal for high-end design projects. This timeless font strikes a harmonious aesthetic with its blend of classic and modern elements, ensuring versatility across branding, editorial, and formal applications.

The inclusion of subtle decorative elements and refined curves enhances its opulent appeal, making it a perfect choice for projects demanding exclusivity and attention to detail.

- **Font Styles:** Includes CS Malion Regular, Italic, and Reverse Italic.
- **Character Set:** Uppercase and lowercase letters, numerals, and standard punctuation.
- **Multilingual Support:** Includes accented characters for diverse language compatibility.
- **PUA Encoding:** Ensures ease of access to all glyphs and characters.
