# Unreal Engine - Ultimate FPS Puzzle Kit v5.3

2025-02-10 17:09:43   label 我要反馈   下载页面

The Unreal Engine - Ultimate FPS Puzzle Kit facilitates the creation of immersive first-person puzzle games, offering a comprehensive set of assets and tools. Designed for ease of use, it enables puzzle creation without the need for intricate blueprint knowledge, thanks to its modular design.

The kit includes various interactive objects such as lasers, cubes, buttons, doors, reflectors, and more, with customizable animations and parameters.

"Unreal Engine Asset - Ultimate FPS Puzzle Kit" Samples:

Additionally, it supports sound modification, offers a Boolean Block for complex-level design, and allows interaction between objects. With 39 blueprints, 1 structure, and 5 enums, it is tailored for desktop development and offers keyboard and mouse input. All assets showcased in the accompanying video, including materials, textures, and meshes, are included as a bonus, enhancing the user's creative possibilities.
