Corporate Timeline - AE Project VH-47148288: Create a timeline-style video presentation of your corporate business.

You can simply type any text you'd like to add more informational text to your video, use it instead of images, or change the colors of any element you can see in the preview.

This project is ideal for presentations for business center openings, corporate openers, and company or agency advertising slideshow openings for co-working centers or promoting any corporate or other event!

You can create a clever inspirational intro video for your forum, meetup slideshow advertisement video, and technological style presentations of whatever you like.
