TRUGRAINS Brutalist Vector Textures CM - 10267055: **TRUGRAINS** is the new essential. **Truegrains** contains 120 Lo-Fi as well as abstract vector textures. The textures are inspired by the style and look of postmodern art in the 1970s and 1960s and the 1980s.

In this album, you'll discover grunge and heavy-grain textures that go perfectly with your other brutalist projects.
