WearememoryCatchers – The Loveliness Collection: The Loveliness Group Maybe our user-friendly preset set, however. Both mild to darkness And forgiving to highlights, and it is perhaps the kindest and funniest of all of the Presets up to now. With creamy skin tones," The Loveliness Collection treats Everyone having a soothing softness - out of the palest of all babes, for their Superbly dark and wealthy skinned pals.

IMPORTANT: THE LOVELINESS PRESET COLLECTION IS ONLY COMPATIBLE WITH LIGHTROOM VERSIONS SEVEN AND NEWER (XMP documents). There's NO LRTEMPLATE Edition OF THESE PRESETS, AS THOSE OLD VERSIONS HAVE NOW BEEN SUPERSEDED. IF YOU CURRENTLY USE LR 6 OR EARLIER You'll Need TO UPDATE YOUR LIGHTROOM TO USE THESE PRESETS.

The Loveliness Group Includes 16 amazing presets for both Lightroom along ACR. This collection is appropriate For both indoor and outdoor shooting.

SOFT

There are 4 variants on That the SOFT preset, that is intended to provide a soft kiss and flattering glow to Your indoor shots. All those SOFT presets change in Order to assist you to manage Differing light and skin tones.

SOOTHE

There are 5 variants on That the SOOTHE preset, that was initially made with these pesky highlights in your mind. Initially motivated by all of the light-skinned infants, the collection of SOOTHE presets Can help you handle shots that were overexposed, and at which highlights were Pushed somewhat much in-camera.

STRONG

There are 3 variants on That the STRONG preset, designed to provide a little additional kick to pictures created in Flatter mild, or for people who adore their elephants to soda with a specific thickness And abundance.

SUNSHINE

There are 3 variants on That the SUNSHINE preset, designed for all your outside job, or to get anyplace glowing Lighting is current.

Black & White

This is a Really close Sister to the first BW in The gorgeous Ordinary preset series - in Fact, they are virtually twins, with this particular gal being maybe just that small More evolved, and elegant in relation to her sister. It is a timeless black and white With powerful blacks, clean whites along a classic feel.

All these Presets are compatible with Lightroom Version 7 and upwards (XMP documents), along with Adobe Camera Raw.
