**Golden Hour Photos: Level Up Your Portraits Using Lightroom:** Have you ever admired those stunning Golden Hour portraits shared by professional photographers on their websites and Instagram? The ones with smiling families bathed in warm, glowing light, radiating hope and promise? Well, guess what? Today is your day to achieve that same magical look.

It's easier than you think, and I'm here to guide you through every step, from selecting the perfect location to choosing camera settings, capturing the photo, and editing it in Lightroom. I've got you covered. And the best part? You can do it all on your mobile device, even if you don't have a fancy mirrorless camera or laptop with Lightroom installed.

**Here's what you'll learn in this class:**

- 1. Introduction: Get ready to dive into the world of golden hour portraits.
- 2. Project: Let's put your newfound skills to the test with a practical project.
- 3. Lesson 1: Discover what equipment you'll need to capture stunning golden hour portraits.
- 4. Lesson 2: Learn the importance of planning to maximise the golden hour.
- 5. Lesson 3: Master the essential camera settings for capturing those dreamy golden hour shots.
- 6. Lesson 4: Get tips on posing your subjects and framing your shots for maximum impact.
- 7. Lesson 5: Dive into the world of Lightroom editing and learn how to enhance your golden hour portraits.
- 8. Conclusion: Wrap up your golden hour portrait journey and prepare to practice your new skills.
