My Working Software Version: CS5 English Version. The only requirement is that you install the software in English. At the moment, other languages are not supported.

If you're using another language in Photoshop, There is an easy way to change to English. Watch the tutorial video for English versions of Photoshop to understand how.

Some Recommendations:

You should use the highest-resolution images to achieve the most effective result from this Photoshop Action. We recommend resolutions of 3000px x 3500px pixels with 300 dpi, and It's the most effective.

The Layers Organization:

The most appealing feature of Photoshop Action is that it keeps your layers well-organized. So you can continue to develop your image swiftly and customize it further. Every Photoshop Action has its layer organization.
