#InstaBlue Posts & Stories: This bundle includes all of my social media templates, including static Instagram stories and posts animated stories and posts, IGTV animated long video templates, Canva posts and stories, and Instagram Puzzle templates. I've added all of my patterns, fonts mockups, and more than 1,000 additional elements - hand drew including words and shapes, foils, stories backgrounds, posters.

Welcome to #InstaBlue, the first Instagram template for stories and posts that match the Pantone Color of the Year. Since the beginning of time, Pantone has been identifying and forecasting design trends, not only in industrial design and graphic design. And with Classic Blue, they are giving us a clue on what trends we can expect to be seeing this year. With this in mind, I'd like to assist you in preparing your brand for coming changes. Start in the beginning by integrating this hue of blue on your profile on Instagram.

This pack comes with 20 fully editable posts and 20 story templates that can be fully edited and story templates, with a focus on the new colors of the year as well as a simple design! Everything within this pack is optimized to be easy to use and editable easily. Editing text, images, and colors are fairly simple and you shouldn't face any problems doing that.
