3D People Animations 5 is an After Effects project compatible with versions 2019 and above, supporting resolutions up to 4K (3840×2160) and Full HD (1920×1080). It is customizable for mobile (1080×1920) and square (1080×1080) formats. The project includes Alpha Channel PNG footage at a 2000×2000 pixel resolution and comes with an easy-to-use controller and a Universalist Controller for language compatibility. The controller allows users to adjust features such as the tie (on/off, color, brightness, and contrast), element colors, and text colors.
