**Minimalistic Product Promo - AE Project VH-39230217:** This is a quick promotional opener featuring 24 placeholders for media (support any kind of media such as video, photo, and more.) as well as 53 placeholders for text. It could be used for an introduction to your online store, a short intro to a showreel, or opener slideshows with photos or videos. The Control panel lets you modify everything: colors, switch off or on elements.

Minimalistic Product Promo is modular in structure, so it is possible to add or delete additional scenes in your video. It's very simple to alter the words, drag and drop your pictures, and press render.

- Color Control
