Are you looking to create custom T-shirts? This mega bundle of T-shirt designs includes **100 top images in vector**. Easily scale these illustrations to any size you want, as you pick from a range of themes, including pin-up girls, animals, inspiring messages, and more. Select the one you want and then create stunning T-shirts, hoodies, and any other type of clothing you can imagine.

Gfx plugin details of T-Shirt Design Mega Collection

The product is in **Photoshop category** , for more information about this post you can click on the home page link in the sidebar.

Overviews

Find **100 top T-shirt designs with vector formats**. Scale images up or down to the size you need without sacrificing any details. It is easy to customize any of these designs by using your original AI and the EPS format files (NOTE that some designs are as PSD formats). With just one click, you can alter the color of your image. Images work great directly onto hoodies, T-shirts, or even cups. Apart from apparel, these images can be used for a range of promotional items like posters, flyers, advertisements, and many more.

Through the **expanded license** it is possible to use the vectors as many times as you'd like in as many commercial or personal initiatives as you'd want. These top-quality T-Shirt designs cover an array of subjects that include motivational messages, animals automobiles, patriotic themes, and much more.

Deal Terms:

The files are delivered as an instant download after you have completed your purchase. Graphic files are provided in .ai as well as .eps formats. Some of the files are available in PSD formats.

You may resell or utilize the print on t-shirts posters or pillows, mugs caps, stickers, and so on.
