VCartoonizer v2.4.4:

VCartoonizer is a software that allows users to cartoonize their videos with high quality and unique style through a few mouse clicks.

The program features excellent cartoon effects and operates as a standalone application, not requiring an internet connection.

It supports output video sizes ranging from 480p to 4K.

VCartoonizer is compatible with Windows® 10, Windows® 8/8.1, and Windows® 7.
