Inspired by analog movie, this package ranges from blank to a More retro 70's design. The package begins with classic and clean looks and moves To analog toning as you advance through the subsequent presets, all with a Concentrate on lovely skin tones. We used real Portra 400 movie as our Inspiration for the more analog presets.

Included:

- PS 01
- PS 01 Shadow Boost
- PS 02
- PS 03
- PS 04
- PS 05
- PS 06
- PS 06 LESS CONTRAST
- PS 07 VINTAGE
- PS 07 VINTAGE WARM
- PS 08 BW
- PS 08 BW CONTRAST
- PS 09 BONUS

Compatibility:

Works with Adobe Lightroom Classic / CC / Mobile as well as Adobe Photoshop

Designed to be used on raw image files but also work great on .jpeg and .tiff
