**Paravent Transitions - AE Project VH-50272171:** Introducing Paravent Transitions – an innovative transition pack for After Effects and Premiere Pro accessible through the essential graphics panel. This pack features folding screen or room divider transitions, offering versatility in any aspect ratio, including 4K, HD, Portrait, and Square formats.

Leverage these vibrant transitions in various scenarios such as kids' videos, social media content, sporting events, game shows, Instagram videos, openers, or product sales presentations. Whether working in After Effects or Premiere Pro, these transitions are designed to enhance your creative projects seamlessly.

Elevate your video editing experience and add a touch of creativity to your projects with the Paravent Transitions for After Effects and Premiere Pro. Get your screen divider transitions now!

- Compatibility with After Effects CC and Premiere Pro 2022 and above via essential graphics Mort files.
- Support multiple aspect ratios, including 4K, HD, Portrait, and Square.
- No additional plugins are required for a hassle-free experience.
- Universalized for effortless adaptability.
- Comprehensive video tutorials with voiceovers are included to guide you through the application and customization process.
